

REMARKS/ARGUMENTS

In the advisory action mailed February 25, 2009, the Examiner declined to accept the declaration submitted under 37 CFR §1.131, alleging that the declaration was signed by only one inventor, but was ambiguous as to whether the inventor was the sole inventor of claims 1-7 and 30-35. The declaration has been modified to clarify that Dong-ryong Kim is, in fact, the sole inventor of the invention claimed in claims 1-7 and 30-35. Accordingly, applicants kindly request the Examiner to accept the declaration. Applicants further note that the Exhibits referred to in the declaration were previously submitted with applicants response filed January 28, 2009. Accordingly, the Exhibits are not resubmitted herewith. However, should the Examiner require the Exhibits to be resubmitted in order to accept the new declaration, the Examiner is kindly requested to contact the undersigned attorney so that the Exhibits can be resubmitted.
